

Play Fair License (PFL) © Symmetric Solutions 2009

You are using this Software under the PFL created by Symmetric Solutions.

- a) this software is free for non commercial use
- b) for commercial use you have to pay a once of fee of A\$50.00
- c) You can try the software for maximum 30 days without payment.
- d) If you are a commercial, paying and registered user, we grant you for every paying commercial user, recommended by you a \$25.00 commission from us, after we receive the payment from the new commercial user. The referral must be done before the new user makes the payment.
- e) Please pay with paypal or contact us for special payments.
- f) No support or warranty for the product, use it as it is.
- g) Even if the software is tested by us and we do the best we can do to give you good working software, we cannot give you any warranty or pay you any damage in case of any possible damage you might get through this software. Use it on your own risk.
- h) You are not allowed to distribute the software in any way.
- i) You are not allowed to sell or resell the software.
- j) You are allowed to mention our distribution website and link it from your own website.
- k) If you don't accept this PFL, you are not allowed to use our software
- l) If the software distributed with this PFL uses third party components or it is an interface to a third party software, the PFL does not cover the cost or any license constrains from that third party software. Please contact the third party distributor for their licensing restrictions and rules.

This license was made to share software you might need, and to still give us a small salary to keep us programming.
